

VOLUME BOOK OFFERS

We are excited to share with you Libby Hoffman's new book, *The Answers Are There: Building Peace from the Inside Out*.

In this book, Libby shares her learning journey as a peace-builder and as the co-founder, funder, and program partner of Sierra Leone's Fambul Tok ("family talk"). You'll read powerful stories of individual and communal transformation in Sierra Leone, where the culture of community was nearly destroyed by civil war. Libby takes you inside the unique approach of Fambul Tok – anchoring reconciliation in indigenous traditions of communal truth-telling, apology, and forgiveness – and how it unleashed a powerful resource for national healing.

In celebration of Libby's book launch, we've created these volume purchase opportunities, ranging from micro-volume purchases for individuals and book clubs to larger-volume purchases for businesses, non-profit associations, universities, or organizations that might benefit from this book's powerful message. Once you've made a bulk purchase, reach out to us at info@catalystforpeace.org for access to these bonus gifts.
